**THE THEORETIC AND METHODOLOGICAL ANALYSIS OF PUBLIC  
SERVICE SYSTEM DEVELOPMENT IN UKRAINE**

This article presents the theoretical and methodological analysis of contemporary issues of Civil Service of Ukraine. The analysis is made by the author and it enables to identify the main problems of the Civil Service of Ukraine. The author determined that the main problems of this system should include in particular: lack of codification of civil service legislation; ineffectiveness of the system of professional development of civil servants and local government officials; lack of effective mechanisms to combat corruption in the public service; biased estimates of procedures; issue of civil service; lack of effective mechanisms of motivation. The author suggested ways to improve the Civil Service of Ukraine, including the legal framework Ukraine on this issue.
