**GOVERNMENTAL RECRUITMENT SERVICE IN
THE CONTEXT OF MODERNIZATION
IN PUBLIC SERVICE LEGISLATION IN UKRAINE**

A number of unsettled issues as parts of general problem is examined: the creation of the professional institute of public service, to ensure its effectiveness, it remains relevant the issue of improvement of government recruitment public service and its functioning in Ukraine taking into account the latest benefits theory and practice on human resources management are considered. Changes (names, nature, functions) in governmental recruitment public service in the context of modernization in public service legislation in Ukraine are investigated. The Law of Ukraine «On Public Service» from 16.12.1993, the Law of Ukraine «On Public Service» from 17.11.2011 and the Draft Law of Ukraine «On Public Service» from 30.03.2015 according to change the name, nature, functions of governmental recruitment public service are analyzed. Suggestions for improvement of the Draft law are performed.
